Our Objectives: At Teck, we offer challenging work assignments and excellent opportunities for career and professional growth with one of Canada's largest diversified natural resources companies. Our organization is committed to work life balance and provides an excellent salary and benefits package. Add to this, the chance to live and work in the incredible Rocky Mountains, where natural beauty and outdoor recreational opportunities are truly unmatched. We think you'll find what you're looking for.

Teck is committed to building an inclusive and diverse workplace that recognizes and values differences. In 2016, we had over 1,400 women working at Teck, but we employ almost 10,000 people worldwide. Women currently make up 15% of our workforce. While the number of women has gone up over the past 10 years, we know we can do better. That's why we set a goal to build a more diverse workforce by 2020, to make the most of the wealth of ideas, talents and perspectives across our operations. It's part of our ongoing commitment to Sustainability.
