Teck Announces Investment in Sun Metals

Vancouver, B.C. – Teck Resources Limited (TSX: TECK.A and TECK.B, NYSE: TECK) (“Teck”) announced today that it has acquired 12,500,000 common shares of Sun Metals Corp. (TSX.V: SUNM) (“Sun Metals”), at a cost of \$0.28 per common share for an aggregate purchase price of \$3,500,000. The shares were acquired privately on December 20, 2018 pursuant to a donation arrangement (the “Acquisition”).

As a result of the Acquisition, Teck holds 12,500,000 common shares of Sun Metals, or approximately 13.8% of Sun Metals’ outstanding common shares. Sun Metals is a mineral exploration company focused on advancing its flagship Stardust project located in northcentral British Columbia, Canada.

Prior to the completion of the Acquisition, Teck did not hold any shares of Sun Metals. The Acquisition was made for investment purposes. Teck may determine to increase or decrease its investment in Sun Metals depending on market conditions and any other relevant factors. This release is required to be issued under the early warning requirements of applicable securities laws. A copy of the early warning report may be obtained from the contacts listed below.
