Teck Donates \$150,000 to Support British Columbia Wildfire Relief Efforts

Vancouver, B.C. – Teck Resources Limited (TSX: TECK.A and TECK.B, NYSE: TECK) (“Teck”) today announced a donation of \$100,000 to the Canadian Red Cross and \$50,000 to the British Columbia Society for the Prevention of Cruelty to Animals (BC SPCA) in support of emergency efforts in response to the wildfires in British Columbia. A further \$25,000 will go to match donations made by Teck employees. Teck’s donation to the Canadian Red Cross will help provide food, clothing and temporary accommodation for evacuees, and the donation to the BC SPCA will support the rescue and relocation of pets and farm animals in affected regions. In addition to this donation, Teck is supporting employees that live within the area of evacuation orders in the Thompson-Nicola region and is also engaging directly with Indigenous communities in the region to support wildfire relief efforts.

“Our thoughts are with all those impacted by the wildfires in different parts of British Columbia,” said Don Lindsay, President and CEO. “This is an extremely challenging time for many British Columbians and Teck will continue working with our local partners to ensure we are offering all the support we can at this time.”
