## Teck Named to 2021 Bloomberg Gender-Equality Index

**Vancouver, B.C.** – Teck Resources Limited (TSX: TECK.A and TECK.B, NYSE: TECK) (“Teck”) has been named to the 2021 Bloomberg Gender-Equality Index (GEI) for the fourth straight year.

“Teck is committed to supporting an inclusive and diverse workplace and gender equality is an important focus of our efforts,” said Don Lindsay, President and CEO. “We will continue to take actions that embrace and promote inclusion and diversity across Teck to build a stronger workforce and a better company.”

The GEI recognizes companies committed to advancing women in the workplace globally. Teck was included in this year’s index for scoring at or above the global threshold established by Bloomberg to reflect a high level of disclosure and overall performance across the framework’s five pillars: female leadership and talent pipeline, equal pay and gender pay parity, inclusive culture, sexual harassment policies, and pro-women brand. More information on the index can be found here: <https://www.bloomberg.com/gei/>.

Teck has also been named as one of [Canada’s Top 100 Employers by Mediacorp Canada’s Top Employers](#) program for the past three years and was included in the [Forbes World’s Best Employers 2020](#) list and [Canada’s Top Employers for Young People 2021](#).
