### Teck Announces Cash Tender Offers for up to US\$1.25 Billion of Debt Securities

**Vancouver, B.C.** – Teck Resources Limited (TSX: TECK.A and TECK.B, NYSE: TECK) (“Teck”) today announced the commencement of six separate offers (the “Offers”) to purchase for cash up to US\$1,250,000,000 aggregate principal amount of its outstanding notes of the series listed in the table below (collectively, the “Notes”). Subject to the Maximum Purchase Condition (as defined below), the series of Notes that are purchased in the Offers will be based on the acceptance priority levels (each, an “Acceptance Priority Level”) set forth in the table below. If a given series of Notes is accepted for purchase pursuant to the Offers, all Notes of that series that are validly tendered will be accepted for purchase. No series of Notes will be subject to proration pursuant to the Offers.

The Offers are made upon the terms and subject to the conditions set forth in the Offer to Purchase dated July 4, 2024 relating to the Notes (the “Offer to Purchase”) and the notice of guaranteed delivery attached as Appendix A thereto (the “Notice of Guaranteed Delivery” and, together with the Offer to Purchase, the “Tender Offer Documents”). Capitalized terms used but not defined in this announcement have the meanings given to them in the Offer to Purchase.

(1) Subject to the satisfaction or waiver of the conditions of the Offers described in the Offer to

Purchase, if the Maximum Purchase Condition is not satisfied with respect to every series of Notes, Teck will accept Notes for purchase in the order of their respective Acceptance Priority Level specified in the table above (with 1 being the highest Acceptance Priority Level and 6 being the lowest Acceptance Priority Level). It is possible that a series of Notes with a particular Acceptance Priority Level will not be accepted for purchase even if one or more series with a higher or lower Acceptance Priority Level are accepted for purchase.

- (2) For each series of Notes in respect of which a par call date is indicated, the calculation of the applicable Total Consideration (as defined below) may be performed to either the maturity date or such par call date, in accordance with standard market convention.
- (3) The total consideration for each series of Notes (such consideration, the “Total Consideration”) payable per each US\$1,000 principal amount of such series of Notes validly tendered for purchase will be based on the applicable Fixed Spread specified in the table above for such series of Notes, plus the applicable yield based on the bid-side price of the applicable U.S. Treasury reference security as specified in the table above, as quoted on the applicable Bloomberg Reference Page as of 2:00 p.m. (Eastern time) on July 15, 2024, unless extended with respect to the applicable Offer (such date and time with respect to an Offer, as the same may be extended with respect to such Offer, the “Price Determination Date”). The Total Consideration does not include the applicable Accrued Coupon Payment (as defined below), which will be payable in cash in addition to the applicable Total Consideration.

The Offers will expire at 5:00 p.m. (Eastern time) on July 15, 2024, unless extended or earlier terminated (such date and time with respect to an Offer, as the same may be extended with respect to such Offer, the “Expiration Date”). Notes may be validly withdrawn at any time at or prior to 5:00 p.m. (Eastern time) on July 15, 2024, unless extended with respect to any Offer.

For Holders who deliver a Notice of Guaranteed Delivery and all other required documentation at or prior to the Expiration Date, upon the terms and subject to the conditions set forth in the Tender Offer Documents, the deadline to validly tender Notes using the Guaranteed Delivery Procedures (as defined in the Offer to Purchase) will be the second business day after the Expiration Date and is expected to be 5:00 p.m. (Eastern time) on July 17, 2024, unless extended with respect to any Offer (the “Guaranteed Delivery Date”).

The Initial Settlement Date will be the second business day after the Expiration Date and is expected to be July 17, 2024. The Guaranteed Delivery Settlement Date will be the second business day after the Guaranteed Delivery Date and is expected to be July 19, 2024. Each of the Initial Settlement Date and the Guaranteed Delivery Settlement Date is herein referred to as a “Settlement Date.”

Upon the terms and subject to the conditions set forth in the Offer to Purchase, Holders whose Notes are accepted for purchase in the Offers will receive the applicable Total Consideration for each US\$1,000 principal amount of such Notes in cash on the applicable Settlement Date. Promptly after 2:00 p.m. (Eastern time) on July 15, 2024, the Price Determination Date, unless extended with respect to any Offer, Teck will issue a press release specifying, among other things, the Total Consideration for each series of Notes validly tendered and accepted.

In addition to the applicable Total Consideration, Holders whose Notes are accepted for purchase will receive a cash payment equal to the accrued and unpaid interest on such Notes from and including the immediately preceding interest payment date for such Notes to, but excluding, the Initial Settlement Date

(the “Accrued Coupon Payment”). Interest will cease to accrue on the Initial Settlement Date for all Notes accepted in the Offers, and Holders whose Notes are tendered pursuant to the Guaranteed Delivery Procedures and are accepted for purchase will not receive payment in respect of any interest for the period from and including the Initial Settlement Date. Under no circumstances will any interest be payable because of any delay in the transmission of funds to Holders by The Depository Trust Company (“DTC”) or its participants.

Teck’s obligation to complete an Offer with respect to a particular series of Notes validly tendered is conditioned on the satisfaction of conditions described in the Offer to Purchase, including that the aggregate principal amount purchased for the Offers (the “Aggregate Purchase Amount”) not exceed US\$1,250,000,000 (the “Maximum Purchase Amount”), and on the Maximum Purchase Amount being sufficient to include the aggregate principal amount of all validly tendered Notes of such series (after accounting for all validly tendered Notes accepted for purchase that have a higher Acceptance Priority Level) (the “Maximum Purchase Condition”). Teck reserves the right, but is under no obligation, to increase or waive the Maximum Purchase Amount, in its sole discretion subject to applicable law, with or without extending the Withdrawal Date. No assurance can be given that Teck will increase or waive the Maximum Purchase Amount. If Holders tender more Notes in the Offers than they expect to be accepted for purchase based on the Maximum Purchase Amount and Teck subsequently accepts more than such Holders expected of such Notes tendered as a result of an increase of the Maximum Purchase Amount, such Holders may not be able to withdraw any of their previously tendered Notes. Accordingly, Holders should not tender any Notes that they do not wish to be accepted for purchase.

If the Maximum Purchase Condition is not satisfied with respect to each series of Notes, for (i) a series of Notes (the “First Non-Covered Notes”) for which the Maximum Purchase Amount is less than the sum of (x) the Aggregate Purchase Amount for all validly tendered First Non-Covered Notes and (y) the Aggregate Purchase Amount for all validly tendered Notes of all series having a higher Acceptance Priority Level as set forth in the table above (with 1 being the highest Acceptance Priority Level and 6 being the lowest Acceptance Priority Level) than the First Non-Covered Notes, and (ii) all series of Notes with an Acceptance Priority Level lower than the First Non-Covered Notes (together with the First Non-Covered Notes, the “Non-Covered Notes”), Teck may, at any time on or prior to the Expiration Time:

- (a) terminate an Offer with respect to one or more series of Non-Covered Notes for which the Maximum Purchase Condition has not been satisfied, and promptly return all validly tendered Notes of such series, and any other series of Non-Covered Notes, to the respective tendering Holders; or
- (b) waive the Maximum Purchase Condition with respect to one or more series of Non-Covered Notes and accept all Notes of such series, and of any series of Notes having a higher Acceptance Priority Level, validly tendered; or
- (c) if there is any series of Non-Covered Notes with a lower Acceptance Priority Level than the First Non-Covered Notes for which:
  - (i) the Aggregate Purchase Amount necessary to purchase all validly tendered Notes of such series, plus
  - (ii) the Aggregate Purchase Amount necessary to purchase all validly tendered Notes of all series having a higher Acceptance Priority Level than such series of Notes, other than any series of Non-Covered Notes that has or have not also been accepted as

contemplated by this clause (c), is equal to, or less than, the Maximum Purchase Amount, accept all validly tendered Notes of all such series having a lower Acceptance Priority Level, until there is no series of Notes with a higher or lower Acceptance Priority Level to be considered for purchase for which the conditions set forth above are met.

It is possible that a series of Notes with a particular Acceptance Priority Level will fail to meet the conditions set forth above and therefore will not be accepted for purchase even if one or more series with a higher or lower Acceptance Priority Level are accepted for purchase.

For purposes of determining whether the Maximum Purchase Condition is satisfied, Teck will assume that all Notes tendered pursuant to the Guaranteed Delivery Procedures will be duly delivered at or prior to the Guaranteed Delivery Date and Teck will not subsequently adjust the acceptance of the Notes in accordance with the Acceptance Priority Levels if any such Notes are not so delivered. Teck reserves the right, subject to applicable law, to waive the Maximum Purchase Condition with respect to any Offer.

The Offers are subject to the satisfaction of these conditions and certain other conditions. Teck reserves the right, subject to applicable law, to waive any and all conditions to any Offer. If any of the conditions is not satisfied, Teck is not obligated to accept for payment, purchase or pay for, and may delay the acceptance for payment of, any tendered notes, in each event subject to applicable laws, and may terminate or alter any or all of the Offers. The Offers are not conditioned on the tender of any aggregate minimum principal amount of Notes of any series (subject to minimum denomination requirements as set forth in the Offer to Purchase).

Teck has retained BofA Securities, Inc. and RBC Capital Markets, LLC to act as the lead dealer managers (the "Lead Dealer Managers") for the Offers and BMO Capital Markets Corp., TD Securities (USA) LLC, and CIBC World Markets Corp. to act as co-dealer managers (the "Co-Dealer Managers" and, together with the Lead Dealer Managers, the "Dealer Managers") for the Offers. You may also contact your broker, dealer, commercial bank, trust company or other nominee for assistance concerning the Offers. The Tender Offer Documents can be accessed at the following link: <https://www.gbsc-usa.com/teck/>.

If Teck terminates any Offer with respect to one or more series of Notes, it will give prompt notice to the Information and Tender Agent, and all Notes tendered pursuant to such terminated Offer will be returned promptly to the tendering Holders thereof. With effect from such termination, any Notes blocked in DTC will be released.

Holders are advised to check with any bank, securities broker or other intermediary through which they hold Notes as to when such intermediary would need to receive instructions from a beneficial owner in order for that Holder to be able to participate in, or withdraw their instruction to participate in the Offers before the deadlines specified herein and in the Offer to Purchase. The deadlines set by any such

intermediary and DTC for the submission and withdrawal of tender instructions will also be earlier than the relevant deadlines specified herein and in the Offer to Purchase.

This announcement is not an offer to purchase or a solicitation of an offer to sell any Notes or any other securities of Teck or any of its subsidiaries. The Offers are not being made to Holders of Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, “blue sky” or other laws of such jurisdiction. In any jurisdiction in which the securities laws or “blue sky” laws require the Offers to be made by a licensed broker or dealer, the Offers will be deemed to have been made on behalf of Teck by the Dealer Managers or one or more registered brokers or dealers that are licensed under the laws of such jurisdiction.

No action has been or will be taken in any jurisdiction that would permit the possession, circulation or distribution of either this announcement, the Offer to Purchase or any material relating to us or the Notes in any jurisdiction where action for that purpose is required. Accordingly, neither this announcement, the Offer to Purchase nor any other offering material or advertisements in connection with the Offers may be distributed or published, in or from any such country or jurisdiction, except in compliance with any applicable rules or regulations of any such country or jurisdiction.
