Teck Releases First Integrated Report on Climate Change and Nature

Vancouver, B.C. – Teck Resources Limited (TSX: TECK.A and TECK.B, NYSE: TECK) (“Teck”) has released its 2024 Climate Change and Nature Report, which for the first time combines the recommendations of the Taskforce on Nature-related Financial Disclosures (TNFD) with the recommendations of the Taskforce on Climate-related Financial Disclosures (TCFD) to deliver an integrated report covering both climate and nature-related aspects of our business.

“This report details how we are incorporating nature and climate considerations into our strategy as we work to build Teck into one of the world’s leading providers of responsibly produced energy transition metals,” said Jonathan Price, President and CEO. “Teck has prioritized sustainability for decades, because it is the right thing to do and because it strengthens the resilience of our business and helps drive economic growth and value for our shareholders and all stakeholders.”
