

Teck Conservation Lands

As part of our sustainability efforts, Teck has purchased approximately 7,150 hectares of private lands in the Elk Valley and Flathead River Valley for wildlife and habitat conservation purposes.

The three blocks of land include Flathead Townsite (992 hectares), Alexander Creek (3,098 hectares) and Grave Prairie (3,059 hectares).

Teck is working in cooperation with First Nations, communities and other stakeholders to develop management plans that focus on the conservation of key habitats for wildlife and fish in the Elk Valley and Flathead River Valley for the future.

Please keep conservation in mind when you are enjoying recreation activities on these lands and respect the existing Access Management Areas on the Grave Prairie and Alexander Creek lands.
