Dear Minister Joly:

RE: Anglo Teck Merger

I am writing on behalf of Kamloops City Council to express strong support for the proposed merger to create Anglo Teck, headquartered in Vancouver, British Columbia. This merger will bring substantial investment to British Columbia, including Highland Valley Copper and Teck Trail Operations, and will strengthen Canada's leadership in responsible resource development.

The merger has received endorsements from Premier David Eby, Vancouver Mayor Ken Sim, the Vancouver Board of Trade, and the BC Chamber of Commerce. Premier Eby recently described the merger as a "vote of confidence" in British Columbia's economic future and critical minerals sector.

We urge the federal government to approve this merger, recognizing its significant benefits for Canada and British Columbia.

Sincerely,

Nancy Beppe
Deputy Mayor
