Teck Announces Trail Operations Collective Agreement

Trail, B.C. – Teck announced today that unionized employees at Trail Operations have ratified a new five-year collective agreement, replacing one that expired on May 31, 2017.

“We are pleased to have reached a collective agreement that is fair to employees and supports the ongoing success of Trail Operations,” said Thompson Hickey, General Manager, Teck Trail Operations.

The agreement covers approximately 1,160 unionized employees at Trail Operations, represented by the United Steelworkers Locals 480 and 9705.

About Teck Trail Operations

Teck Trail Operations represents one of the world’s largest fully integrated zinc and lead smelting and refining complexes, which also produces a variety of precious and specialty metals, chemicals and fertilizer products.
